EDUCATION

AFRICAN LEADERSHIP (ALX)

2023-2024

Software Engineering
Enrolled in ALX Academy's Software Engineering program from January 2023 to March 2024, consolidating my expertise in software development and expanding my proficiency in cutting-edge technologies.

UNIVERSITY OF ELDORET
Eldoret
2023-Present

BSc. Information Technology

dedicated to acquiring a diverse skill set that aligns with the dynamic landscape of IT.

What sets me aside is I possess advanced skills in Django and Django REST Framework, coupled with a robust command of JavaScript, MySQL, and a specialized proficiency in API calls. This unique combination, complemented by expertise in debugging, HTML/CSS validation, server-side technologies, and object-oriented programming, distinguishes my ability to craft efficient and impactful .
